

GROW SAFE PRIVATE LIMITED
PAKISTAN'S LEADING TRAINING, CONSULTANCY
AND COMPLIANCE SOLUTIONS PROVIDER

COMPANY PORTFOLIO

SOLUTION TO ALL YOUR HSE AND HR ESSENTIALS

Our Vision & Mission

VISION

GSPL's vision is to foster a safe, healthy, and environmentally friendly culture across all industries, regardless of scope or location. By integrating safety and sustainability into routine operations, GSPL aims to create synergy and promote long-term business success.

MISSION

GSPL raises HSE awareness by emphasizing the moral, legal, and financial responsibilities of all stakeholders. It reduces accident-related costs, supports business continuity, and enhances productivity. Through training and advanced tools, GSPL helps professionals identify hazards and integrates HSE into business planning to protect lives, assets, and ensure long-term success.

GrowSafe Private Limited

TESTIMONIAL

Feedback from Industry Experts

We enlisted GSPL for Fire Safety Management training for our Senior Management and on International Firefighters Day. Their expertise and tailored approach made the training highly effective. We highly recommend Grow Safe Pvt Ltd to textile companies.

DGM (Fire & Safety)
Artistic Milliner's Pvt. Ltd.

I commend you for the outstanding NFPA 70E training. Your commitment to electrical safety and high-quality instruction is truly valued. Wishing you continued success.

Sr. Manager EHS,
Pharmatec

Unilever Pakistan engaged Grow Safe Pvt Ltd for MHE validation and inspection services. Their team's expertise, professionalism, and hands-on experience were exceptional. We are highly satisfied with GSPL's services in validation, inspections, and training, and look forward to a long-term partnership.

Regional Logistics Safety Lead
Unilever South (Karachi)

Grow Safe Pvt Ltd's "Hazard Identification and Risk Assessment" training for Al-Karam Textile Mills was a success, focusing on ISO 45001:2018 and helping participants effectively identify hazards and assess risks.

Group HSE Manager
Al- Karam Textile Mills (Pvt) Limited

It was a great learning session and the way Grow Safe conducted this, is highly commendable. Great Job indeed!

Manager EHS
FMC Corporation (USA)

TESTIMONIAL

Feedback from Industry Experts

Grow Safe Pvt Ltd delivered tailored HSE training on Process Safety Management (PSM), with expert consultants simplifying complex concepts through real-world examples and interactive discussions. Positive employee feedback underscores the training's effectiveness.

Division Head
HSE, G&T Group of Companies

We are pleased with the training, impressed by the trainers expertise and interactive content. We look forward to future collaboration.

Human Resource Department
Attock Cement Pakistan Limited

The material handling training by Grow Safe's experienced and professional trainers was highly effective. Our lab and warehousing staff learned essential safety techniques for their daily tasks. We are satisfied with the training and look forward to future collaborations.

DM HR, Admin & SHE
Stahl Pakistan (Pvt.) Ltd.

We used Grow Safe Pvt Ltd for First Aid, CPR, BLS, AED, and Emergency Rescue training. The excellent delivery, demonstrations, and equipment received positive feedback. We highly recommend Grow Safe for HSE services.

Junior Manager HSE
Continental Biscuits Limited

Grow Safe Pvt Ltd provided tailored advanced first aid training with expert instructors and realistic simulations. Their service enhanced staff confidence and competence. We look forward to future collaboration.

Manager HSE,
Fauji Oil
