### Press Release

#### **Grow Safe Passes First Ever ISO Surveillance Audit**

Grow Safe – a leading training and consultancy provider in occupational health, safety and environment (HSE), and fire protection – has successfully completed its first ISO surveillance audit, reaffirming its commitment to international best practices and operational excellence.

The organization remains certified in ISO 9001 – Quality Management System, ISO 14001 – Environmental Management System and ISO 45001 – Occupational Health and Safety Management System (OHSMS).

GSPL was recently granted the prestigious Recognized Training Provider (RTP) status by US-based Exemplar Global Inc., authorizing it to deliver globally accepted ISO Lead Auditor qualifications.

Moreover, it holds certification in Dialogue for Sustainability (DfS) – a Germany-based methodology aimed at improving workplace productivity and social responsibility, and is authorized to deliver the OfQual (UK) Endorsed International Diploma in Safety Engineering (IDSE).

With a robust portfolio of training, consultancy, compliance, and project-based services, Grow Safe continues to stand out as one of Pakistan's most credible and innovative organizations in workplace safety, environmental management, and sustainability.

Thankfully,
