Press Release

ISO Lead Auditor Courses

Exemplar Global Approves Grow Safe as Recognized Training Provider

Exemplar Global Inc., a globally recognized US-based organization specializing in professional training and certification, has officially approved Grow Safe (Private) Limited as a Recognized Training Provider (RTP). This approval authorizes GSPL to deliver globally accredited ISO Lead Auditor Courses under the banner of Exemplar Global.

The newly approved training scope includes: ISO 9001:2015 – Quality Management Systems, ISO 14001:2015 – Environmental Management Systems, ISO 17025:2017 – Testing and Calibration Laboratories, ISO 22000:2018 – Food Safety Management Systems, ISO 27001:2022 – Information Security Management Systems, ISO 45001:2018 – Occupational Health & Safety Management Systems, ISO 50001:2018 – Energy Management Systems.

Grow Safe successfully met the strict merit-based criteria set by Exemplar Global to earn RTP status — a testament to its commitment to professional development and organizational excellence.

“This recognition by Exemplar Global Inc. further strengthens our mission to raise professional competency standards across industries,” said a spokesperson. “We are committed to empowering professionals with globally accepted qualifications and skills.”

This partnership now allows organizations and professionals across various sectors to access world-class ISO Lead Auditor certifications locally through a provider they can trust. It also signifies the organization's continued excellence in delivering high-quality professional training aligned with international standards.

Grow Safe is already an ISO-certified organization for Quality, Health, Safety & Environment Management Systems, certified by the Emirates International Accreditation Center (EIAC) and the International Accreditation Forum (IAF).

With a distinguished track record of serving over 250 corporate clients and training more than 50,000 industry professionals, it has emerged as a trusted name in corporate training, compliance, and capacity building.
