### Press Release

#### **Grow Safe Earns Pakistan Business Forum's Corporate Membership**

Grow Safe – Pakistan's leading occupational safety and health compliance solution provider – has achieved another milestone by securing Pakistan Business Forum's Corporate Membership, reaffirming support for local SMEs and brands.

The organization fulfilled the professional and corporate criteria set by the Forum, which is dedicated to promoting trade, investment, and economic cooperation among Pakistani businesses locally and globally. With this, GSPL now stands among the esteemed partners of PBF.

"Grow Safe reaffirms its commitment to strengthening SMEs and promoting Pakistani brands in the international markets by helping them meet export-oriented compliance and global regulatory requirements," said Grow Safe's CEO, Mr. Saad Abdul Wahab. "Enhancing quality, health, safety, and environmental standards within Pakistan's industrial and manufacturing sectors remains top priority."

PBF plays a key role in uplifting SMEs and local brands, aligning closely with GSPL's mission of strengthening industry standards. Following the MoU in February 28, 2025 with PBF, it began offering extensive support to SMEs and emerging brands to elevate the business practices in line with international standards. Over the last 9 months, it has helped numerous organizations meet compliance requirements via specialized training, gap analysis, consultancy, international certifications, audits, and safety inspections.

These include Bacha Party, NASA Chemicals, Pet King Global, Service Long March Tyres, Pharmatec, Young's Food, Logiciel, Gatron Industries, Novatex, Energy N Automation, Al-Huda Engineering, Descon, EFU Life, Kompass, Hamdard University, Haseen Habib, Solution Concern, PERAC Research & Development, AgriAuto, Pakistan Mortgage Refinance Company, and Pakistan Beverages Limited.

Meanwhile, as part of its effort to expand its influence across local brands and SMEs, GSPL will participate in the highly anticipated "Mera Brand Pakistan" EXPO 2026, scheduled for January 3–4, 2026, where its team will demonstrate advanced training, consultancy, and compliance solutions designed to support and uplift Pakistani businesses, at Stall B-88 of Hall 5. The event is one of Pakistan's premier platforms for showcasing excellence, innovation, and craftsmanship across diverse industries and is expected to attract more than 400,000 visitors.

Thankfully,
